INTELLIGENCE MEMORANDUM

The India-Pakistan Situation
(Report #102 - As of 6:00 A.M. EDT)

1. India and Pakistan continue to charge each other with cease-fire violations. All recent alleged violations have been relatively minor.
2. Yesterday, India protested to Pakistan against the "shocking outrages" committed against the Indian high commission in Karachi, and demanded an apology and full compensation. Pakistan rejected the protest as totally untrue.
3. India is sending Deputy Foreign Minister Singh to Kuala Lumpur to thank Malaysia for its "unstinted support." Pakistan broke relations with Malaysia charging Kuala Lumpur with supporting India. The Malaysians have denied taking sides, but now charge Pakistan with conspiring with Indonesia.
